INTRODUCTION

eTukTuk is an innovative play-to-earn game that places players in the driver's seat of the flagship eTukTuk vehicle. Inspired by the Crazy Taxi style, players race through the vibrant streets of Sri Lanka, picking up and dropping off passengers in a fast-paced, reward-driven environment. The game's unique mechanics ensure that the faster you drive, the more you earn.

GAME MECHANICS

In eTukTuk, players engage in high-speed, time-sensitive missions to transport passengers to their destinations. The core gameplay revolves around skillful driving, strategic route planning, and timely upgrades to enhance vehicle performance. Players can unlock new cities, each offering unique challenges and opportunities for higher earnings.

VEHICLE UPGRADES

Customization and upgrades are key features of eTukTuk. Players can enhance their vehicles with a variety of performance and aesthetic upgrades. These upgrades not only improve gameplay but also offer a personalized gaming experience, allowing players to showcase their unique style and strategy.

TOKENOMICS

The \$TUK token is the backbone of the eTukTuk economy. It serves multiple purposes:

- **In-Game Currency:** Players use \$TUK tokens to purchase upgrades, unlock new cities, and access special events.
- **Rewards:** Players earn \$TUK tokens through gameplay, completing missions, and achieving high scores.
- **Community Engagement:** Token holders can participate in community events, vote on game updates, and contribute to the game's development.

PRESALE AND EARLY ACCESS

The eTukTuk presale offers an exclusive opportunity for early adopters. Participants in the presale gain early access to the game, special in-game rewards, and unique upgrades. This phase is crucial for building a dedicated community and ensuring a successful launch.

04

ROADMAP

eTukTuk's development is structured into four phases:

1. **Presale & Community Building:** Launch the presale, build a strong community, and offer early bird benefits.
2. **Token Launch & Initial Distribution:** Officially launch the \$TUK token on major exchanges, distribute tokens to early supporters, and establish strategic partnerships.
3. **Game Development & Beta Testing:** Accelerate game development, launch a closed beta, and gather feedback to refine the game.
4. **Official Game Launch & Expansion:** Release the full game, introduce new features, and expand to a global audience.

CONCLUSION

eTukTuk offers a thrilling play-to-earn experience, combining fast-paced gameplay with strategic upgrades and a robust token economy. Join us on this exciting journey, participate in the presale, and be among the first to experience the ultimate eTukTuk adventure. Embrace the future of gaming with eTukTuk and rev up your earnings today!
